FLOWERS & CANDLES

ABOUT

When Julia Volet set up Julia Volet Botanics in 2014, she had one aim in mind. “I wanted to sell simple, yet stylish flowers, beautifully presented to the UAE. And I knew people would love it.”

With a strong sense of colour and design and genuine passion for flowers, it has proved to be winning combination, establishing Julia Volet Botanics as the premier name in Dubai's flower market – and beyond.

Widely considered as a trendsetter in the art of floral design. Julia Volet, an entrepreneur and founder of the platform for representing personal identity with her Dubai based studio has expanded her passion for flowers into a collection of exquisitely scented candles and luxury fragrances dedicated to creating a sensory experience of how the scent can transform space; mood and atmosphere.
